

# FORT HAYS STATE UNIVERSITY VIRTUAL COLLEGE

"Online courses offer students an alternative ... a university education that fits their life. FHSU's Virtual College knows that you need the flexibility to study when and where it's most convenient. That's why they offer Bachelor's and Master's programs completely online. You can take a class or earn your degree all on your own schedule, from your own home and their affordable tuition has ranked Fort Hays State University as one of the best investments in higher education."

**H**ays, KS often brings to mind images of wide-open prairie, buffalo and oil rigs, but it's also the home of Fort Hays State University – the global leader in online education. FHSU's Virtual College continues to grow by leaps and bounds, yet so many people are unaware of how these online programs could change their lives. It's almost as if FHSU's Virtual College has become a hidden secret that reaches far beyond what most people might imagine. Today, more than 6,000 students in over 20

countries make up their virtual student body. Technology and the virtual classroom have given FHSU the opportunity to redefine the world as their market. Their greatest overseas presence is in mainland China, but the University boasts graduates in every State throughout the United States, Europe, the Middle East, islands in the south pacific, Asia, and beyond.

With more than 30 award winning programs offered worldwide, Fort Hays State University's Virtual College
